with pay, what would you do? Go to the lake? Go to a big city and go night clubbing? Or would you disconnect the phone and relax in the back yard? Or would you be afraid to go out of the house because the boss might see you and change his mind?

Some New Castle-ites, when asked this question recently, were so utterly astonished that they couldn't even bring to life an imaginative trip. Some others, however, had very definite ideas.

to go to Erie, too. "My wife and I like to drive, and we've got a new car, so we'll probably go both places. I just like to drive and look around. Don't like to stay in one spot.'

Go To California Mrs. Fred Paden, 1003 Beckford street, not only knows what she would like to do, but she has all the plans made. Now all she has to do is wait for her husband to get that two weeks, with pay!!

"I want to go to California." Mrs. Paden has her itinerary all mapped out. She wants to go out along the northern states, and come back via the southern route. Taking pictures, seeing new sights, and meeting people is her idea of a wonderful vacation.

She even has cities picked out where she can visit relatives. But she isn't limiting her sightseeing to the beauties of nature. Big hotels and the night spots of Hollywood are on the list, too.

### OTHER NEWS COURT HOUSE

These are the days of the summer doldrums in the court house. Many attorneys are on their vacation, the June rush of marriage licenses is over, and it seems too warm for folks to be doing much in the way of crime violation.

But it doesn't hold true of the divorce business. Hot or cold it goes merrily on, and to the long list published a few days ago, the following divorce suits have been filed in the office of Prothonotary and Clerk of Courts John A. Edgar. Nellie Marie Pitts of 620 Todd avenue, Ellwood City, asks a divorce from Albert Donald Pitts of Route

Somehow the sudden summer shower seems more of a lark, less of a bother, when it's pattering on the snug shelter this tidy number throws up automatically at your touch on a control.

Somehow autumn air is more winey, swirling winter snows more fun when your choice is a Buick - and a Convertible as tight and all-weather-ready as this one.

Maybe it's because your style sense tells you these sleek lines and this rich treatment are going to stay the fairest of the automotive fair.

Maybe it's because you find, in the big Fireball

straight-eight under your treadle foot, an ever-eager, ever-lively companion-inadventure that acknowledges no peer for life and lift and velvet-smoothness.

It could be the rare and pleasurable steadiness given an open car by good, solid Buick construction. It could be, simply,

### HERE AND THERE IN SPORTS' LAND

PLKINS BROTHERS, local heavyweight, had his hardest of six fights Wednesday night at Farrell. He proved his ability to get up after having been dropped to a knee and come on to win the decision, According to Andy Fair, Rizieri Ronzi, whom Brothers had decisioned and kayoed previously, dropped Brothers to a knee. Elkins got up without taking a count and promptly knocked down Ronzi. The Youngstown boxer was flat upon his back and Brothers' seconds, whom included Western Pennsylvania-East- Tommy Jones, claim the timekeeper allowed a minute and a half intermission, instead of the customary one minute. They literally fought their heads off in the second and in the third Brothers again knocked down Ronzi. He intends to take a short rest, after which he will resume training for his bout at Flaherty field, August 1, against Al Micatrotte of Cleveland, who pinned a defeat on Guy Elisco, Monday night. The Clevelander will be the best opponent Elkins has yet been matched with, but he believes he will come through with another knockout. Sal Brunello who was kayoed by Brothers, will box Guy Elisco, which should make a splendid match for "Humphrey". Lionel LaGrew and Chuck Gibbons will put on another thriller and another well balanced card is anticipated.

> Juste Fontaine, Pittsburgh lightweight, who was kayoed by George Larover of Philadelphia, is going to take a long rest. Since January 1, and up to the Larover fight, Fontaine had knocked out Jimmy Joyce, Chester Ricco, Jimmy Collins, Dorsey Lay, Bobby Ruffin, Baby Breese and Ruby Kessler. . . . In taking over the management of Ezzard Charles, Jake Mintz of Pittsburgh has cut himself in on a good meal ticket. . . There was a punch affair during the ball game at Flaherty field. Wednesday night, the umpire being socked. . . . Joe Baksi is homeward bound following his defeat by Olle Tandberg of Sweden in Bernie Bierman, Minnesota coach, is conditioning candidates for the pro' football season. . . Abe Greene, of the NBA. says the organization will recognize anyone who knocks out Joe Louis in a non-title fight. "Anytime a champion 'goes to bat', even in an exhibition, his title is at stake" Greene comments.

# Displaced Persons Admittance Urged Upon Congressman

Local Organizations Join Movement In Behalf Of National Legislation

Convinced that the bill now pending before congress should be passed, permitting 400,000 displaced persons of the stricken countries of Europs to be admitted to the United States outside of quota, a number of organizations in the city have so expressed themselves to Congressman Louis E. Graham. In their communications to the congressman he was asked to use his influence to bring the bill out of committee to the floor of the house. The movement started here on July 1 when a group of New Castle citizens met in The Castleton hotel to hear Miss H. M. Butz of Montclair, N. J., present the cause of displaced persons. Present at the meeting were Rev. Fr. Francis M. Mc-Carter, Rev. Thomas J. Jones, John

Grittie, Lyle Hughes, Mrs. Alec

Miss Butz presented the cause well and asked that petitions go to Congressman Graham asking his help to bring displaced persons to this country. At the conclusion of the meeting it was agreed that Rev. McCarter and Rev. Jones should be in charge of the work of getting endorsements of the movement.

Religious civic, fraternal and labor groups were visited and a number of endorsements secured. Among those were the Kiwanis club, the Lions club, Loyal Order of Moose, Fraternal Order of Eagles, St. Mary's Council, Knights of Columbus, the Catholic Forum, the New Castle Ministerial Association and the newly formed Council of Protestant Churches.

The bill now before congress would admit 400,000 displaced persons of which 20 per cent would be Jewish and 80 per cent non-Jewish. Each person admitted would have to be vouched for by relatives or friends in this country. This has been done.
